I MARRIED A BILLIONAIRE: THE PRODIGAL SON (CONTEMPORARY ROMANCE) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. This book is a standalone followup to the Top 100 Kindle Store bestseller I Married a Billionaire and I Married a Billionaire: Lost & Found. Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he possibly repair a relationship that's been so badly fractured by distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again. - Excerpt - I walked down the hall towards Daniel's office. Nothing had changed; the hallway still smelled the same, the carpet still felt the same under my shoes. And yes, his sharp-faced assistant, Alice, was still there. She gave me a curt nod as I went to the door and pushed it open, not bothering to stop and let myself be announced. Daniel was kneeling by the window, watering one of his plants. He'd taken his jacket off and...
